Hours: 7:30am-5:30pm

Financial assistance is available.

To reserve your child's spot at the Y, register online at srfymca.org. Sign up for one week at a time or reserve multiple weeks. Reservations must be completed each Wednesday by 5pm for the following week. Payments will be drafted each week through your savings, checking or credit card.

In addition to monitoring your child's e-learning experience, the Y will provide:

- Daily meals and snacks

- Arts and crafts time
- Physical exercise classes taught by certified trainers
- Upgraded internet capacity

We will continue to follow the CDC's recommended guidelines. Required precautions that we would like to point out include:

- Temperature checks taken for all staff and children entering the Y
- Masks to be worn by all staff and children indoors
- Regular hand washing and sanitizing for all staff and children
- Workstations will be arranged for social distancing
- The Y will continue to be sanitized, disinfected and deep cleaned

Please contact Jamie Darling at jdarling@srfymca.org or 815-535-9622 with any questions.

Sign-Out

- The parent must sign the child out at the end of the day.
- Children will not be allowed to sign themselves out.
- Only authorized adults will be allowed to sign the child out. This must be noted on the child's registration form. Any adult that picks up a child must have an ID with them.

Medications

Administration of medication or special diets will be undertaken by the program after a completed *Request for the Administration of Medication Form* and *Medical/Physical Care Plan* are received and signed by a parent/guardian. This form can be obtained at the Membership Desk. The staff must receive this form before any prescribed medications will be accepted or administered. The staff, in a confidential log, will note all administrations of medications. Over-the-counter medications/topical lotions cannot be administered, given to, or applied.

Discipline

In youth programs, we strive to meet the needs of all children without ignoring the demands of any one individual. It becomes necessary in organizing and maintaining a large group to set limits and guidelines. When a set boundary is broken, it is also essential to provide some form of understanding.

Procedures

Unfortunately, there are times when usual guidance techniques are not effective and despite working with parents, the

inappropriate behavior may continue. When this happens the YMCA supervisors can exercise the option to suspend a child from a program. The YMCA supervisors can also request that a child be picked up before a program end time due to behavior issues. If the problem continues despite the suspension and no progress is demonstrated, the child will be subject to expulsion from the program.

Termination

Termination from YMCA Child Care Programs will result from the following:

- Failure to pay fees for the program.
- Failure to observe rules relating to arrival/departure of the children.
- Failure to comply with the Child Care Program procedures and policies.
- Failure by parents to respect staff and handle concerns in a professional manner.
- Failure by children to respect staff, including threats made by children to staff or any physical attack by children on staff or other child in the program.

Parent Involvement

- Involvement of parents in the program is very essential. Take some time to talk to the staff about your child and ask your child about the program each day.
- Notify the staff if your child is experiencing any difficulties in school or at home that may affect his/her behavior at the program.
- Please keep us informed of such problems so we can be sensitive to your child's needs. The staff would like to work as a team with the child's family.

Safety First

Since March, we have had hundreds of children in our care. As we look to the school year, we will keep these practices in place and continue to adapt.

Contactless Check In and Health Screens

Parents stay in cars while students are dropped off and picked up. Children have temps taken and parents answer health screen questions.

Stay Home Policy

We require all students and staff to stay home if they are not feeling well.

Enhanced Cleaning

We have increased the amount of staff working on daily cleaning procedures. Regular hand washing and sanitizing for staff and children.

Podding Up

Children stay in their groups, with the same counselor, all day. Groups do not interact with each other.

BEHAVIOR MANAGEMENT PROCEDURES

We want every child's participation in the Before and After School Programs, School's Early Out Club, Remote Learning Program and No School Day Camp to be a positive growth experience. We will follow the following policy regarding behavior during our programs.

Behavior Guidelines

- People are responsible for their actions.
- We respect each other and the environment.
- Honesty will be the basis for all relationships and interactions.
- We will care for ourselves and those around us.

When a child does not follow the behavior guidelines, we will take the following steps:

1. Staff will redirect the child to more appropriate behavior.
2. The child will be reminded of the behavior guidelines and day camp rules, and a ~~discussion~~ discussion will take place.
3. If the behavior persists, a parent will be notified of the problem.
4. The staff will document the situation. This written documentation will include the behavior problem, what provoked the problem, and the corrective action taken.
5. The lead staff will conference with the parent so they can determine the appropriate action to take and sign the behavior report.
6. If the problems still persist, staff will schedule conferences that include the parent, child, staff, and Youth Development Director. The Youth Development Director will have all documentation and the notes from the previous conferences for review. If future conferences have to be scheduled, a counselor may also be present.
7. If a child's behavior at any time threatens the immediate safety of that child or staff, the parent will be notified and expected to pick up the child immediately.
8. If a problem persists and a youth continues to disrupt the program, the YMCA reserves the right to suspend the child from the program. Expulsion from the program will be considered in extreme situations.

The following behaviors are not acceptable and may result in the immediate suspension of a child for the remainder of the current day and the next full day. The length of suspension is determined by the Youth Development Director.

- Endangering the health and safety of children, staff, members, or volunteers
- Stealing or damaging School, YMCA, or personal property
- Leaving the day camp program without permission
- Continuing to disrupt the program
- Refusing to follow the behavior guidelines or program rules
- Using profanity, vulgarity, or obscenity frequently
- Acting in a lewd manner

If any of these behaviors persists, staff may suspend the child a second time before expulsion. Immediate expulsion may occur if a child is in possession of and/or using tobacco, alcohol, illegal drugs, firecrackers, firearms, or explosives.

I have reviewed with my youth the Behavior Management Procedures. I understand and agree to all of the items presented in this document.
